THE VOICE OF THE HIGHLANDS

THIS WEEK'S PRESS RUN—1650

HALIBURTON, ONTARIO Thursday, December 15, 1960

Established in 1882 as the
Minden Echo & Haliburton Recorder

Night School Classes Expanding Facilities

In the communities throughout Ontario, it has been proven by educational research that the adult education classes are an important and integral part of the education program. School boards throughout the province, including the Haliburton County District High School board, subsidize adult education because they feel that it is an important educational service of the community.

The "back to school" movement among adults has been even more marked than the increased enrolment in the day classes in our secondary schools. Such classes are provided particularly for adults and should not be disregarded. For both, from the standpoint of recreation and from the standpoint of educational improvement, night classes are proving to be valuable to those who take part. In a survey done last year in the metropolitan Toronto area there were 108,309 adults enrolled in classes ranging from physical rec-

reation through to the academic subjects such as: mathematics, English, science and French.

It is planned this year to expand night school facilities which are being offered at the high school in Haliburton. Each year a number of people suggest that they would attend night school classes if the variety of courses was larger in scope. The number of classes which can be offered is limited only by the enrolment in the class. If you are interested in a night school class on any subject, you are urged to send in the registration form which is found elsewhere in this paper.

The enrolment, by regulation by the Department of Education, must be 15 students or over in any class, so if you wish to have a particular class at night school this year, send in your registration form and encourage your friends and other interested adults to do the same.

WHAT MINDEN COUNCIL DID

The regular meeting of the Anson, Hindon and Minden council was held in the council chamber on Wednesday, December 7 with all members present.

Council accepted the resignation of fire chief Ernest Hewitt with regret and asked the clerk to write and thank him for past services.

Council appointed Eldon Deacon fire chief and Max Jackson deputy chief until permanent appointments are made by the incoming council.

The clerk was asked to send copies of a letter sent by Dr. F. Griffiths, M.O.H., to Dr. Berry of the Water Resources Commission regarding the water levels of the Gull River to the following: Mr. W. D. Bennett of the Dept. of Transport; Clayton Hodgson, M.P., and the Hon. L. M. Frost.

The clerk was asked to write the home and school association stating that the council will endeavor to keep the sidewalk clean from the bridge to the school during the winter months.

The road overseer was asked to make arrangements to build a fence along the road allowance at McCracken's farm, on the Horseshoe Lake road.

Reeve Fred Brooks was given an honorarium of \$100 for services rendered above normal responsibilities during 1960.

Accounts were paid amounting to \$2,700.

Arrangements are being made to start brushing on the winter works program.

The amount of \$150 assessed to Wm. R. Crawford on part of lot 2, conc. 4, Hindon township, assessed in error for year 1959 (collectors roll 1960) is to be written off.

The inaugural meeting of the Anson, Hindon and Minden council will be held in the council chamber on Tuesday, January 3, 1961.

Christmas Edition

This coming Thursday, December 23, will mark the annual Christmas edition of the Haliburton County Echo.

This year's issue will again be in two sections with the first section printed on pink paper and the second on green.

We have a very attractive mat book in which to choose your Christmas greeting.

Don't be disappointed, Tuesday noon is our deadline.

In the Minden area Mr. Charles Brandon will be calling on you and in Haliburton and vicinity Mr. Creighton Feir will be dropping in to see you. If you are missed just phone Charles Brandon at Minden or contact the Haliburton County Echo.

We are sure you will not want to miss the attractive 1960 Christmas edition.

Curlers Meet In Minden

The general meeting for the curling clubs, both ladies and men, was held in the new building with 24 men and 16 ladies in attendance.

Officers elected for the year 1960-61 are, president, Ern Hewitt; vice president, Garnet Lytle; secretary treasurer, Percy Britnell. Directors are Bernard Trepanier and Earl Palmer.

The women are to curl on Monday and Wednesday with the men on Tuesday, Thursday and Friday.

Those wishing to curl should contact Harry Cowan, Mark Vasey or Ross Harrison and for the ladies Mrs. R. Welch or Mrs. M. Vasey.

The balance of money owing on the building is to be taken care of by 10 members who volunteered to loan the money to the club.

It is hoped that all interested persons will take advantage of the facilities offered by the new building.

The coming production of "The Christmas Story," a cantata with music composed by Mr. Bill Gliddon of Haliburton, is to be performed on Sunday, December 18 at 7.30 p.m. in the Haliburton United Church.

Assisting with the production will be two of our town's finest soloists, Miss Betty Barnum, contralto and Mr. Harold Cummings, tenor, and the United church junior choir.

The junior choir will open the service with a group of six old English carols.

—Photo, Geo. Wheeler.

Legion Tender Banquet To Band

The Haliburton branch of the Canadian Legion royally entertained the members of their band and families to a sumptuous banquet on Tuesday evening and we think we can state, without fear of contradiction, that every-

one present really enjoyed the event.

When the guests were all seated, Legion president Wallace Chambers, spoke a few words of welcome to those present and called on Capt. Bill Kerr of the Salvation Army to say grace. Those present were then served a delicious supper, catered by the Ladies' Auxiliary.

Following the banquet president Chambers, who acted as chairman for the occasion on behalf of the Legion, explained that the Canadian Legion, wherever they existed, were anxious to sponsor community projects, especially those which would aid in the advancement of our youth. The Legion in Haliburton had considered it a privilege to sponsor the band and in his remarks, the president stated that some \$419 had been expended on the band during the past year and the Legion received \$150 for band performances.

The chairman then called on bandmaster George Wheeler to explain the progress being made by the band. Mr. Wheeler stated that a short concert would be given before the evening was concluded and those present would have the opportunity to see what headway was being made. Many of these players who now make up the present band, said the speaker, had prior to September last, never played any sort of a musical instrument. While we have many new players, said the bandmaster, we have a number of musicians who have been with the band for quite a number of years and tonight I insisted that Frank McIntyre, who has been playing in bands in this area for a period of over 52 years be seated at the head table. The speaker drew attention that Gordon Griffin, Glenn Austin, Creighton and Berkeley Feir had also been members for a lengthy period.

Frank McIntyre, who as we said, had a record of 52 years playing, stated that he had enjoyed every minute of the time he had spent in connection with the band. He also said that in all the time he had been a member this was the first time any organization had ever tendered a banquet for the band. He also stated that George Wheeler was the man responsible for the band we have today.

Mr. Nick Nimigon, whose wife and three sons are members of the band and himself a member of the Legion band committee, was called

on to make a few remarks and said he noticed that the bandmen and guests were very punctual for the banquet and he hoped the bandmen were as punctual for their weekly rehearsals otherwise it would be discouraging to their leader.

Mr. Nimigon also thanked the ladies for the wonderful dinner provided this evening.

Berkeley Feir, in a few words, stated that this banquet was one of the nicest things ever done for the band. In order to have a good band, said the speaker, we must have three things, financial backing, a good leader and loyal members and he felt that we now had all such necessities. Next summer should see us with the finest band ever, he stated.

Chas. Brandon of Minden, long a mainstay of the band, paid sterling tribute to Geo. Wheeler who had worked so tirelessly to produce a good band and said how fortunate that we had a person who was willing to devote so much of his time and also the speaker commended Mrs. Wheeler for allowing her bandmaster husband to give so many of his evenings to the development of a band.

At the conclusion of the speaking Bandmaster Wheeler led the band in a short concert of "pops" music which from comment heard afterward was appreciated by the parents and relatives of band members.

Drum Beats

It must have been greatly encouraging to all those who had anything to do with this event to see the interest exhibited by the parents of the youthful members of the band in their progress as musicians. Too often we hear of lack of interest on the part of parents on just what Jack or Jill are doing with their time. To be honest about it there are locally more parents interested in these matters than we had thought.

The Canadian Legion in Haliburton are making it possible for us to have a band in this area by supplying the necessary financial backing and their fine spacious auditorium.

We were pleased to see present on this occasion Mrs. Jane Fairfield of Minden, who was an interested visitor and well she might be as she has two granddaughters playing in the band.

COUNTY ASSESSOR ELECTED PRESIDENT

At a meeting of the County and District Assessors' Association of Ontario, at the King Edward Hotel in Toronto, December 5 and 6, the county assessor of the Provisional County of Haliburton, John H. Fergus, was elected president of that association.

Mr. Fergus came to Haliburton county in May of 1959 from Lanark County where he had been county assessor from 1949, and has a vast knowledge of evaluations in rural, vacation, suburban and urban assessments.

The county assessment office is in Minden, next to the registry office, and in conversation with the county assessor, we are informed that his services are available to all ratepayers and municipal officials, in the interest of fair and equitable assessment.

Our Dysart municipal assessor, Lewis Roberts, is chairman of district No. 5 of the Assessing Officers of Ontario, so it is to be assumed with the knowledge of these two gentlemen, and recognized by their fellow colleagues, that eventually, we are to be assured of sound evaluation in property assessment.

Coldest day, December 12,
maximum 4 deg.

CORRESPONDENTS ATTENTION!

As there will be no issue of the Echo between Christmas and New Years, we would be pleased if you would refrain from sending in correspondence during that week. Thank you.

HALIBURTON NEWS LETTER . . .

We are glad to report that Mr. William Baker, who recently underwent surgery in the Ross Memorial Hospital, Lindsay, is able to be home again and his many friends

hope that he will be restored to a full measure of health.

It is heartening to know that despite much talk of unemployment elsewhere,

things seem to be all right locally. The municipality have their winter work program well under way and this has given sufficient work to take care of those who are without employment.

MINDEN

We are sorry to report that Mr. James Hie is at home suffering with pneumonia and all his friends wish him a speedy recovery.

Mr. and Mrs. Angus Coulter spent Sunday with the Leslie Coulters at Boshkung.

Sunday visitors with Mr. George Sears were Mr. and Mrs. Harold Sears of Dorset.

A successful shooting match was held at the Rod and Gun club and many returned home with their Christmas dinner.

Patients at the local hospital on Monday were Miss Donna McDuff, Mr. Read, Mr. Minto. Congratulations to these ladies: Mrs. Goldie Walker, a baby boy; Mrs. McGuire, a baby girl and Mrs. Redgrave, a baby girl.

Mr. Percy Cassidy has been a patient in the Ross Memorial Hospital for the past several weeks. Miss Helen Cassidy of St. Catharines spent the past week end at her parents' home.

A special word of thanks to the Explorer group for their contribution of soap, pins, needles, buttons and mending wool gathered on Hallowe'en night. This bale

will be going to the needy persons in Korea and will certainly be much appreciated in the very cold weather there.

Mr. and Mrs. Fred Pratt of Toronto were week end guests with their families and friends.

At the men's Orange lodge card party at the hall last Friday night a good crowd enjoyed an evening's fun and prize winners were Loyne Cox, Harold Coulter, Mrs. Al-

lan Taylor, Jack Kinnear, Mrs. B. J. Walker and Bill Hounsell. Winners of the fowl draw were Mr. Feagan of Whitby, Mrs. Hutchinson of Kirkeld and a Jack Hounsell. All present report a very good time and a delicious lunch served by the men, of course.

The December meeting of the W.M.S. took the form of a Christmas meeting at the home of Mrs. G. Finlay, December 8. The program was

made up of singing Christmas carols and readings under the chairmanship of Mrs. N. Ward. There was no election but the present officers agreed to continue for another year, when this group will join the W.A. Mrs. Windover assisted the hostess in serving a very tasty lunch and a social half hour was enjoyed by all.

WHERE THERE'S A *Wish*
THERE'S A *Way*

and the B of M way is sometimes
the best way to say
"Merry Christmas"

Sometimes money is the only logical gift for three or four of the more "difficult" names on your gift list... but to some of us cold cash and Christmas-giving just don't seem to go together. Well, the B of M has the way to take the chill off cold cash and make your gift of money a warm, personal one, fully in keeping with the spirit of the season.

Look over the B of M's three ways to make your gift of money arrive to the tune of "Jinglebells".

1. STUDENTS' AND BABIES' PASSBOOKS make a delightful extra for some youngsters on your list. Your gift of money is entered in a special passbook and enclosed in a Christmas cover guaranteed to make young eyes pop with glee.

2. MONEY ORDERS purchased for Christmas-giving come in gaily-decorated envelopes or folders that clearly spell out your Yuletide wish. Ideal for those "hard-to-buy-for" people on your out-of-town gift list.

3. SPECIAL CHRISTMAS CHEQUES are available in two colourful holiday designs — one for personal and one for business bonus-giving. They are "gift-wrapped" in a bright cover that glows with the spirit of the season.

See these special Christmas features at your neighbourhood branch of the B of M today (don't forget to bring your Christmas shopping list).

We would like to take this opportunity to extend to all the people of the County a very blessed and meaningful Christmas. May the Prince of Peace bring to your hearts and homes the peace which passes understanding; and may it be your increasing personal experience that "God was in Christ reconciling the world unto Himself."

COME AND WORSHIP,

WORSHIP CHRIST, THE NEW-BORN KING.

With every good wish,

REV. JOHN TAYLOR, Haliburton.

REV. THOMAS GRACIE, Minden.

CAPTAIN THOMAS BAILEY, Wilberforce.

The Captain's Desk

CAPT. W. KERR
Salvation Army

Often there appears on my desk articles on a variety of subjects. A few of these I have found most interesting and it is one of these that I would like to pass on to you. My purpose is not to condemn or judge but that through the reading of the "Captain's Desk" series many might be blessed and be more anxious to serve and follow Jesus Christ.

ARE YOU PREPARED?

"The future belongs to those who prepare for it!" So says the envelope which holds my insurance policy. Do you agree?

Someone else has said, "Heaven is a prepared place for a prepared people!" Do you still agree?

David, the famous psalmist, believed in a heaven to gain and a hell to shun. Therefore, when he sinned, he repented with great heart-felt sorrow. Why? David knew no sin could enter God's heaven, so he prepared his soul by repentance to God and faith in Him. Did it help? Did repentance and faith give him peace of mind?

Listen to his great words of confidence:

"Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou (God) art with me; thy rod and thy staff they comfort me. . . Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever" (Psalm 23:4, 6). What was the reason for this

confidence? David said, "The Lord is my shepherd" Psalm 23:1. Because God was his shepherd, the psalmist was prepared!

The Bible says, "Prepare to meet thy God" (Amos 4:12). Are you prepared to meet your God? Eighty-three souls pass into eternity every minute. One of those minutes will be yours. Are you prepared?

God has given us an infallible guide, the Holy Bible. Multiplied millions have followed its teachings and have found peace of mind and preparation for death and eternity. It will help you, too.

1. Acknowledge that you are a sinner. God says, "All have sinned" (Romans 3:23). Confess your sins to God. Repent of them. This is a vital step in your spiritual preparation.

2. Accept the Lord Jesus Christ as your personal Saviour. "As many as received him (Jesus), to them gave he power to become the sons of God, even to them that believe on his name" (John 1:12).

3. Announce to your relatives and friends that you have accepted Jesus Christ as your personal Saviour. The Bible clearly says, "If thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation" (Romans 10:9-10).

In deep repentance and faith, follow these three "A's", and God will give you a glorious fourth one: Assurance. You won't have to guess-so, think-so, or hope-so. You will have a know-so salvation. You will know that you are prepared.

Remember, the future belongs to those who prepare for it. Are you prepared for death, eternity, and heaven? If not, "Believe on the Lord Jesus Christ, and thou shalt be saved" (Acts 16:31).

Weddings priced as low as 50 for \$9.00 and 100 for \$13.50, complete with double envelopes and tissues.

HALIBURTON COUNTY ECHO

OBITUARY

WILLIAM TOYE

Funeral services for William Toye, 78, who died in the Misericordia Hospital, Haileybury, November 10, were held Sunday, November 13 in St. Paul's United Church with Rev. Bruce Besley officiating.

Assisting also at the service was Rev. E. Catto of the Englehart Baptist Church.

Mr. Toye was born at Hindon Hill and moved to Northern Ontario in 1927 and settled on a farm in Sharpe township where he farmed until his retirement, coming to Charlton to reside in 1948.

Surviving are his wife Jenny, three sons, Raye and Morris of Charlton, Stanley of North Bay; 10 daughters, Mrs. Allan Kent (Mabel) of Toronto; Mrs. Hugh Horner (Wilma) of Elliot Lake; Mrs. John Sutees (Annie) of Kirkland Lake; Mrs. George Taillon (Alice) of North Cobalt; Mrs. Raye Beck (Doreen) of Island Falls; Mrs. Morris Brown (Pearl), Earlton; Mrs. George Sutees, (Alma) of Savard; Mrs. William Brennan (Ilene) of Toronto; Mrs. Ronald Palmateer (Esther) of Charlton; Mrs. Sidney Watson (Emma) of Kirkland Lake.

A daughter predeceased him in 1951 (Stella) Mrs. William Thyne.

Also surviving are one brother, Johnstone, at Charlton and a sister, Mrs. Letitia Piper, Sault Ste. Marie.

There are 42 grandchildren and three great grandchildren.

Pallbearers were Sidney Sutees, John Aldred, George Bott, Newton Coles, Manus Sullivan, and Gordon McDougall.

Burial was in the Charlton cemetery.

"INSULATE as you plaster" WITH

The new lightweight mineral aggregate! Architects, Plasterers, Contractors and House owners who have tested MICAFIL all say it is:

- easier to handle — because weighs only 8 lbs. per cubic foot.
- lasts longer — does not absorb moisture, dries without warping or buckling, does not crack, dissolve, disintegrate or rot.
- affords greater protection — against sub-zero cold or intense heat, against fire hazards, favours low insurance rates.

NIGHT CLASSES

The following classes will be offered if there is a sufficient number registering in each class.

ELEMENTARY ART—for those who wish to learn to paint with oils.

ADVANCED ART—for those who have had previous experience in oil painting.

CONVERSATIONAL FRENCH—a course in speaking the language with emphasis on expressing oneself in French. No written work—no formal examinations.

WOODWORKING and SHOP WORK—in addition to the regular wood-working class, a group can be accommodated on ornamental metal work.

SEWING—two classes will be offered if there are sufficient registrations. The classes will be divided on the basis of the type of instruc-tion desired.

MILLINERY—a course in design and manufacture of hats.

CHORAL GROUP—for any who enjoy choral singing. This group is to be entirely separate from the Madrigal Choral Group. All who are interested in singing should apply.

BOOKKEEPING—the keeping of various kinds of records and assembly into a system.

FIRST AID—St. Johns' Ambulance course.

FORESTRY—a study of such topics as woodlot management, selective cutting, scaling, reforestation.

LEATHERCRAFT—design and carving.

LEADERSHIP TRAINING—organization of meetings, leading discus-sions, parliamentary procedure, planning activities, etc.

Classes will commence on Tuesday, January 3 and will continue every Tuesday evening for twelve weeks.

Enrolment fee for the entire course is \$3.00; \$1.00 of this must ac-company each application. Preference in any course will be given to those who apply first. Please state first and second choices.

St. George's W.A.

Members of St. George's W.A. were pleased to welcome the rector, Rev. J. H. Taylor to the meeting on Tuesday, December 13 at the home of Mrs. Whittaker.

Bible reading by Mrs. Winnett Austin was the Christmas story as told by St. Luke. Prayers were led by the president, who also read a message from the dominion president.

Mr. Taylor spoke briefly and expressed his appreciation of the contribution made by the W.A. to the whole life of the church.

The meeting was marked by a note of thanksgiving which was voiced by singing the doxology.

The members who attended the W.M.S. meeting on December 9 reported a happy

WEDDING

Smith - Martin

A small wedding was solemnized by Rev. Carlton at Mt. Pleasant Baptist Church, Toronto, December 2 at 7 p.m. Only the wedding party and the immediate families were in attendance.

The bride was given in marriage by her father, Mr. Clifford Martin of Fenelon Falls. Joy Marie was attired

evening of fellowship.

The business session, during which funds were allocated, was followed by election of officers.

The meeting was closed by the rector with a prayer of thanksgiving and the blessing.

An exchange of gifts and a social half hour with Mrs. Feir and Mrs. Smith assisting the hostess, rounded out the evening.

in white chiffon and was attended by Miss Marolyn Titus, wearing yellow chiffon.

Mr. Wayne Swann of Minden acted as best man.

Friends of the bride entertained about 20 guests at a reception in the apartment to be occupied by Bob and Joy.

After a very pleasant evening the couple left for a short honeymoon at Niagara Falls.

EDITORIAL

A Lasting Monument

ON SATURDAY afternoon last a group of tired men and women of Lindsay realized a dream come true when the bright modern new wing of the Ross Memorial Hospital was officially opened by the Hon. J. Waldo Monteith, minister of National Health and Welfare.

This dedicated group of citizens who have been struggling toward the completion of this humanitarian project since 1953 could not have been blamed if many times they had thrown up their hands in despair. However, despite opposition by a section of the press and the public, which you can always be sure of anytime you advocate an enterprise for the saving of life and the

relief of suffering, the hospital committee have, after seven years of uphill fight, reached the summit.

Citizens of the highlands of Haliburton who have been patients of the Ross Memorial Hospital and the many of us who never know when we may be hospitalized there offer congratulations to the board of governors and the hospital committee who have created this lasting monument which will in the years to come save many precious lives and ease the sufferings of the ill. As long as this building stands it will remain as a lasting tribute to a devoted group of men and women who looked ahead and never behind.

The Big Bonfire

A COUPLE OF WEEKS ago we had a big bonfire in the village of Haliburton. At first we thought when we noticed the glare that it might be a mammoth celebration of Guy Fawkes night, but after consulting the calendar this was ruled out.

Investigation revealed that our railway roundhouse, which for many years housed the locomotive of the CNR had been set afire. From what we can learn the operations were carried out by some contractors who did the job aided by the members of the local fire brigade. It would be interesting to know in dollars and cents just what the taxpayer will be called upon to pay for having a section of our town lit up on a

Monday evening.

We know of a farmer who recently found he had an old barn that was of no further value to him. He was able to dispose of some of the lumber contained therein and sold the timbers to cottagers for the construction of private docks.

If our information is correct the old roundhouse contained some excellent timbers and if no other use could be found for the lumber that went up in smoke, it would have made good kindling for some of our needy families in this area.

It might be a good idea to have a few farmers on the directorate of the Canadian National Railways.

Water And Sewage

THE MATTERS of water supply and sewage are in the near future going to be considered in the villages of Minden and Haliburton.

At the nomination meeting held in Minden the water question came up for discussion and one gathers that before long action will be taken in this matter.

We were a little disappointed that the matter was not mentioned at the Dysart nomination meeting, especially the sewage question as we have been frequently warned by officials of the Department of Health

that the overflow from the ever-increasing number of septic tanks in the village can easily contaminate our existing supply of water.

In perusing "Pen Pictures of Parliament" forwarded to us by our local member of parliament, we note that the dominion government is making special concessions to municipalities regarding sewage.

In our opinion it would be wise to go fully into this matter and make the information available to the taxpayers.

45% FUEL SAVINGS in this home...

New Iron Fireman CUSTOM Mark II oil furnace pays for itself in short time—burns absolutely clean

This 7-room Portland home is one of the many in which the installation of the unique new Iron Fireman CUSTOM Mark II oil furnace has resulted in outstanding fuel savings and new comfort, compared with old-style heating. Here the oil consumption in the previous year was 1441 gallons, but with the CUSTOM Mark II it was reduced to 803 gallons—a whopping big saving of 638 gallons—or over \$90.00. The secret is that the CUSTOM Mark II oil furnace, with

VoluMetric firing, supplies its own forced draft. It operates without chimney draft. This means 100% combustion; with no soot, no smoke—and remarkable fuel savings. There's nothing else like it on the market!

Why don't you see how much this oil furnace can save for you. There's no obligation and no charge for a complete heating survey. Don't waste precious fuel dollars this winter. Instead enjoy wonderful indoor comfort at new low cost.

*Other users from coast to coast report savings ranging up from 18.1%.

COMMUNITY GUILD

The West Guilford Community Guild held their final meeting for 1960 at the home of Mrs. Vi Sims on December 8.

Members joined in the singing of the hymn "O Come All Ye Faithful," then the Lord's Prayer and reading from Luke 1:20.

The minutes of the previous meeting were read and adopted.

The treasurer's report showed a bank balance of \$226.97 and the spending of \$418.23 during the past year. This amount spent in the area went for help to families who met with disaster due to death, fire, accident, for flowers, baskets to the sick, and for the purchase of vitamin pills for all the children in our school. Our funds are derived from membership fees, proceeds from bazaars, and card parties.

The above figures show a very successful year.

Following our regular business discussion, we held nominations and election of officers for 1961 with the following results:

President, Mrs. Vi Sims; vice president, Mrs. Alma Morrison; secretary, Mrs. Cary Morrison and treasurer, Mrs. Blanche Barjarow.

At this meeting all members brought goodies and food to be distributed for Christmas. We also received cash donations.

Our annual party will be held December 15 at the home of Mrs. Vi Smith where our honorary member Mrs. Francis Sisson resides.

A card party is to take place at the Green Canoe on December 29. Everyone is invited to attend.

The meeting closed with a benediction and a lunch served by Vi and Blanche.

EXTRA CHILD CARE AT CHRISTMAS

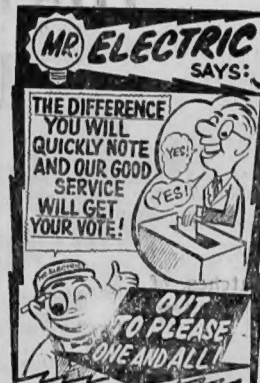

The holiday season introduces many new fire hazards into the home, fire chief Sid Roberts warned today. While Christmas is a time for children, they might face great danger from fire if they are left alone and unattended even for the shortest interval.

The highly inflammable Christmas tree, decorations and gift wrappings make it an imperative duty of all parents to make sure their children are never without responsible supervision.

The fire chief quoted section 189 of the Criminal Code of Canada: "Every one who unlawfully abandons or exposes a child who is under the age of 10 years, so that its life is or is likely to be endangered or its health is or is likely to be permanently injured, is guilty of an indictable offence and is liable to imprisonment for two years."

During this season of parties and visiting, there is an increased tendency to leave children alone "just for a minute," but it only takes 18 seconds for a Christmas tree to burn furiously to charred wood!

If you must go out, the fire chief advises, get a responsible baby sitter for the children and you will enjoy your party much more.

IN QUEST OF YESTERDAY A HISTORY OF HALIBURTON

by NILA REYNOLDS

(COPYRIGHTED)

Twenty-Third Instalment THE MINDEN STORY Chapter 11

(Continued from last week)
When John Noice came to Minden in 1858 the Bobcaygeon road was under construction in southern Ontario. The village's only building was a log cabin near the present bridge which is believed to have been used in connection with the fur trade. Everything else was swamp. To cross the river the family used a ferry boat for at the time no bridge existed. Eventually they settled on a farm six miles north of Minden (it was later owned by the Penrose family) two miles from the settlement at Peterson's corners where the Bobcaygeon road intersects the Peterson. This settlement catered to the early lumber trade and at one time possessed the inevitable hotel, two stores, a non denominational church and a number of dwellings. John Prentice and his family of seven gravitated to this vicinity, also the Wrights.

In 1934 Peterson's corners still boasted an active Orange lodge, L.O.L. 1278 (Stanhope) which had a member roll of 24. Although most of its residents have since moved elsewhere, Peterson's corners remains on the official road maps of the province of Ontario, a memorial to a once thriving community of pioneers.

The feats of endurance performed by our county's first white inhabitants stagger the imagination. James Austin Sr., in the spring walked all the way from London, Ont., a distance between 200 and 300 miles, to take up land at Brady's Lake. All summer he labored alone clearing the land for next year's planting. When the turning leaves heralded the approach of winter he trekked the weary miles back to London where he worked the winter before returning to permanently settle.
